YOUR Saturday Gallery

You can take over MinorOak's front room and use it for as many Saturdays as you'd like during your exhibition: from once a month to every available weekend. You choose what to do, and MinorOak will help with publicity.

You do your own setup and cleanup, leaving the space as you found it.

The cost? Just £50 per Saturday.

Join MinorOak at quarter-time level or above and get a free Saturday.

ARTIST IN RESIDENCE PROGRAM

PARTNER WITH MINOROAK FOR AN EXHIBITION WITH LIMITLESS POTENTIAL

MinorOak provides so many ways for you to share your work, your skills and your passion. Your work will be on our gallery wall for two months, and you get full, 24-7 access to the space, even during work hours. We normally take a 20% commission, but it's waived on your Gallery Saturdays.

Saturday Gallery

You can use MinorOak for ...

- Your own dedicated gallery
- Pop-up studio / Meet the Artist days
- Art workshops
- Gallery days with other artists joining in (you can charge them a fee)
- Any other use related to your work as an artist

Curation and Hanging

Your Gallery Opening will be on a Friday evening. We will choose an evening earlier in the week to hang your work.

You'll e-mail Dee photos and dimensions of your work a week before the opening. You'll also need to organise prices and an artist's statement or bio.

Dee will work up several to-scale layouts for the gallery wall in CAD, and the exhibition will be curated and laid out in advance.

The gallery wall is fitted with a Stas J-rail system, so hanging the work will be relatively straightforward. We'll start at 6pm, order some takeout and get it done.
